

CCDPH Monthly Opioid Report

June 2021

This document is the CCDPH Opioid Report for the month of June 2021. This report provides information on opioid overdoses occurring in Suburban Cook County and excludes those occurring in Chicago. CCDPH is the public health department for Cook County excluding Chicago, Evanston, Skokie, Oak Park, and Stickney Township. These reports are created using data from the Office of the Cook County Medical Examiner accessed via API. The data, particularly for recent months may be subject to change as cases can take up to 90 days to close. This report was generated on 09/28/2021.
