

Protect yourself and others from COVID-19

GET VACCINATED & BOOSTED.

We now have several simple and effective tools – including vaccines and boosters – to fight COVID-19, and we know how to use them. **COVID vaccines are safe, effective and free to all, regardless of insurance or immigration status.**

Suburban Cook County Vaccination & Booster Rates

Rates as of 06/13/22
For the latest data visit:
bit.ly/cookcoshinyapp

We have made great progress with vaccinations and boosters in suburban Cook County. But Community Transmission Levels are still too high. People who live in communities with low vaccination rates and high case rates, or who are unvaccinated or under-vaccinated, are at increased risk for getting COVID-19. **For the best protection against COVID-19, get vaxxed & boosted.**

CDC now recommends vaccines for children ages 6 months and older.

Who is eligible to get vaxxed and boosted?

Everyone ages 6 months and older is eligible and strongly encouraged to stay up-to-date on all recommended COVID-19 vaccinations. Boosters are recommended for everyone 5 years and older.

Vaccines are now available for children ages 6 months to 5 years

CDC recommends everyone ages 6 months and older get vaccinated against COVID-19.

All children, including children who have already had COVID-19, should get vaccinated. COVID-19 vaccines have undergone—and will continue to undergo—the most intensive safety monitoring in U.S. history.

Where can I get my child vaccinated?

Distribution of pediatric vaccinations for children ages 6 months to 5 years has begun across the country. Check the following to see where vaccines are available near you:

- Pediatricians' or family physicians' offices Your home through CCDPH's in-home vaccination program (see below)
- [CCDPH mobile vaccination clinics](#) (including at schools, events, churches, etc.)
- [Cook County Health clinics](#) and Federally Qualified Health Centers
- Pharmacies (for children 3 years and older)

CCDPH is working closely with schools and community partners to communicate all of the options for childhood vaccination.

Get vaxxed at home.

Get vaccinated for free at home if you live in [suburban Cook County*](#) and are eligible to be vaxxed or boosted: bit.ly/vaxathome.

Find vax near you.

Visit our [events calendar for mobile clinics](#). Visit vaccines.gov or myshotcookcounty.com, too.

Get a ride to your vax.

Get a [free ride to your vaccination](#). Call to schedule a ride: 833-308-1988.

See if you're up-to-date.
