INTRODUCTION

Thank you for completing this survey! It is being conducted on behalf of the Cook County Department of Public Health (CCDPH). Information you provide will help CCDPH learn about the health of people in your neighborhood and how to make things better. For example, your information will help CCDPH create programs to reduce smoking, improve access to health services, and ensure all Cook County residents can get healthy food.

Completing this survey takes about 25 minutes, and any information you provide will be confidential. Participation is voluntary.

If you have any questions or concerns about this survey, please visit www.CookCountyHealthSurvey.org, call us toll-free at 1-800-844-4587 or email us at CookCountyHealthSurvey@rti.org.

We'll ask questions about your health and things that can influence your health, like your neighborhood and whether you have access to health services.

INSTRUCTIONS

- This survey should be completed by the adult (18 years of age or older) in the household who will have the next birthday. This helps to ensure a representative study of Cook County residents.

- Answer all of the questions by completely filling in the circle to the left of your answer, like this:

  - Yes
  - No

- You are sometimes told to skip over some questions in this survey. When this happens, you will see an arrow with a note that tells you which question to answer next, like this:

  22. Has a doctor, nurse, or other health professional ever told you that you had asthma?
     - Yes
     - No → Skip to question 24

  23. Do you still have asthma?
