## FEE SCHEDULE (Check applicable space)

- \$150 Well and water quality evaluation
- \$200 Private sewage disposal system evaluation
- \$225 Both Well and water quality and sewage disposal system evaluations

## **= TOTAL AMOUNT DUE**

Check or Money Order (cash not accepted) should be made payable to:

## **Cook County Department of Public Health**

Please Note the Following Prior to Request Submission:

- 1) Fees are non-refundable.
- 2) We will assess the well and/or septic for current Illinois code compliance.
- 3) If the home is not occupied, a private sewage disposal evaluation will not be made.
- 4) We will need the water on to take a water sample for Coliform/E coli and Nitrate/Nitrite testing.
- 5) It can take 10 working days from the date of the evaluation for the water results to come back to us from the lab.
- 6) Our Department does not sample for water quality issues like Iron, Sulfur, etc., Lead or other water contaminants. Please contact us about other chemistry testing options, if so desired, for a list of laboratories.
- 7) We cannot assess the quantity of water the well has or its future reserves.
- 8) Our Department does not dig up the septic tank or probe the septic system. We will not provide sketches of the sewage disposal system. Please contact a private business if this type of inspection/assessment is desired.
- We will dye test the septic system as part of a private sewage disposal evaluation. Because of the nature of the test, we will re-visit the outside of the property only unannounced after the original inspection day/time to check for dye. Please be sure the property owner is aware we will revisit the property. Snow or other conditions affecting the test such as rain may invalidate the test. If a retest is desired, a full resubmittal and payment will be required to schedule the new dye test.
- 10) We do not verify lender requirements as to what they want reported on the evaluation. Please check with the lender directly and let us know what they are asking to be reported, if not specifically mentioned above. If in doubt, prior to submitting the request, please check in with us.

Any questions can be directed to Joe Durczak at (847) 818-2841 or joseph.durczak@cookcountyhealth.org
